# Would you like to receive an additional income?

---

- Have you heard about a sales project in your circle of acquaintances? All you have to do is talk about us and put us in touch.
- As soon as the sale is concluded by our agency, you will be rewarded for your intervention in accordance with the agreements made.
- Issue your invoice and we make your transfer.
- You just have to declare your activity under the legal framework of the micro-enterprise (ex auto-entrepreneur regime). There is also an obligation to declare any income earned overseas, if necessary.
- If you wish to register your micro-enterprise status in the duration, we will conclude a convention of business contributor which will guarantee you the constancy of your relation with the agency.

## The advantages of the micro-enterprise regime:

- You will benefit from the regime of the micro-enterprise provided that you do not exceed the turnover threshold of €70,000 exclusive of VAT per year.
  - You are not liable for VAT if your revenue does not exceed €33,200 exclusive of VAT per year.
